## LABOR DEMANDS RESIGNATION OF HUGH S. JOHNSON

### CHARGES MADE BY NRA HEAD ARE DENIED

#### Strike Leaders Say He Is Unfit To Hold Office

By Richard L. Turner  
Associated Press Staff Writer  
Washington, Sept. 15.—(P)—Strike leaders demanded the immediate resignation of Hugh S. Johnson, the recovery administrator, today as the great textile industrial conflict approached a crisis which may result in the personal intervention of President Roosevelt.

Replying to Johnson's accusations that union officials called the strike in violation of their pledged word, Francis J. Gorman, national strike chairman, charged the NRA head with untruthfulness and partiality to the employers.

"He has demonstrated his utter unfitness to hold public office," said Gorman. "We demand that he resign forthwith."

Thomas F. McMahon, president of the United Textile Workers, against whom Johnson's charge was directed, denied the accusation. At Pawtucket, R. I., he declared the NRA leader was "endeavoring again to make it appear that this is a strike against the government."

#### Supporting Strike

George A. Sloan, president of the Cotton Textile Institute, praised Johnson for "definitely spiking propaganda effectively used in many mill centers" to the effect that the government and the NRA are supporting and encouraging the textile strike.

The weekend calm on the strike front was punctuated, meanwhile, by the explosion of a dynamite bomb which shattered windows for fifty feet along the front of the E. M. Holt Plaid Mill at Burlington, N. C. It was "like an earthquake," residents of the town said.

President Roosevelt put in at Newport, R. I., and conferred with Secretary Dern and Maj. Gen. Fox Connor on the new subdued strike situation in Rhode Island, which had threatened earlier to bring a call for federal troops.

### WEATHER

For Jacksonville and vicinity—Generally fair and slightly warmer weather is predicted for today, with increasing cloudiness and warmer weather promised for Monday.

The U. S. Co-operative Weather Bureau at the Norbury Sanitarium last night gave temperatures as: High 71; current 59 and low 52. Barometer readings were: A. M. 29.95; P. M. 30.06.

Rainfall .36 of an inch.

Chicago and vicinity—Generally fair and continued cool Sunday; Monday increasing cloudiness and warmer, probably showers by night; moderate northwest winds Sunday.

Illinois—Generally fair Sunday; slightly warmer in northwest portion in afternoon; Monday increasing cloudiness and warmer, possibly showers in extreme northwest.

Indiana—Generally fair, cooler in east and south portions Sunday; Monday increasing cloudiness and warmer.

Wisconsin—Cloudy in northeast, generally fair in west and south Sunday; not so cool in central and west portions in afternoon; Monday unsettled and warmer, showers probable.

Missouri—Fair Sunday, warmer in afternoon; Monday increasing cloudiness and warmer.

Iowa—Fair Sunday, warmer in afternoon; Monday unsettled, warmer in east and south, possible showers in northeast.

#### Weekly Outlook

Chicago—(P)—Weather outlook for the period Sept. 17 to 22.

For the region of the Great Lakes—

For beginning of week, with shower periods middle and latter parts; rising temperature Monday or by Tuesday, with mostly seasonable temperatures thereafter, but possibly cooler by close.

For the Upper Mississippi and Lower Missouri valleys and the Northern and Central Great plains—Some probability of showers by or before middle of week and probably another period within latter half; warmer beginning of week, followed by mostly seasonable temperatures but possibly cooler toward the close.

#### Temperatures

### Freight Train Is Stalled By Army Worms In Texas

Estelline, Tex., Sept. 15.—(P)—Millions of "army" worms, streaming across the tracks, stalled a freight train puffing up Carey Hill a few miles south of Estelline.

The drive wheels of the engine began to slip and the train came to a halt.

Surprised trainmen found the tracks covered with worms that had crawled out of weeds and grass when hail beat down their shelter.

Finally the train was split into sections and after the tracks had been cleared, it was possible to move the cars past the slippery stretch.

### APPEAL FOR AID IS DESPATCHED FROM JUNGLES

#### Movie Actor Searching For Lost British Explorer

Rio De Janeiro, Sept. 15.—(P)—An appeal for aid drifted into civilization out of the Matto Grosso fastnesses today from Albert De Winton, 66-year-old Los Angeles movie actor who for more than a year has been exploring the jungle in a lone search for the lost British explorer, Col. P. H. Fawcett.

The message asked the United States consul here and the Brazilian government extricate him from the hands of the Inuita Indians deep in the jungle along an unchartered river.

The Indian service said it was "unlikely the Brazilian government would interest itself in a rescue inasmuch as Winton's request is private and unofficial."

It was indicated that should the United States consul take action on the basis of an unconfirmed report that De Winton is a naturalized American, the governmental machinery might move too slowly to bring aid in time.

Ephrasio Cinha, director of the Jose Museum in Cuiaba, capital of Matto Grosso, forwarded the appeal—dated May 22, 1934—last night and it was delivered today to the minister of agriculture here. The agriculture ministry said it was "unlikely the Brazilian government would interest itself in a rescue inasmuch as Winton's request is private and unofficial."

It was indicated that should the United States consul take action on the basis of an unconfirmed report that De Winton is a naturalized American, the governmental machinery might move too slowly to bring aid in time.

In addition to these messages in actual highway construction, Lieberman estimated 24,000 other persons had been given employment in the same period in the manufacture and transportation of materials used.

Construction work, he said, will be continued as long as weather conditions permit. The state now has under contract 423 miles of pavement and 140 miles of secondary highways while counties have 494 miles of improvements underway.

Governor Ehrinchaus of North Carolina sent five more companies to the strike areas to bolster 33 already on duty. One company at Winston-Salem was allowed to demobilize, but its members were ordered to stand by for emergency calls. The new mobilizations brought the number of troops to 1,700 workers.

Roving assailants killed a man after indiscriminate firing at the Aragon Mills in Georgia, and a giant dynamite bomb exploded in a mill yard at Burlington, N. C., a few feet from troops and special guards.

## One Crime Enough

Henry Yahuke of Plainsfield, Ill., went to Chicago. He didn't have any money and decided to try crime as a source of income. He staged a robbery, expecting of course to be as successful as the ordinary run of crooks.

But within five minutes Henry was shot three times, hit in the eye, relieved of the \$14 loot he had taken and arrested. He found himself in jail, with his initial crime completed and his career off for a long start, or so he thought.

If all young criminals could get this sort of treatment the first time they stepped from the beaten path, there would be fewer recruits for the underworld. This beginner's punishment was swift and severe, most of it inflicted by the outraged victims of his crime. He found the citizenry fully alive to its dangers and ready to protect itself.

If he comes out of this mess alive and is wise, he will let crime alone. He should already have had enough of it to last him the rest of his life. Sooner or later a life of crime ends in failure, and the sooner the better for both society and the criminal.

## Cattle to Kettle

A government plan to purchase pure bred cattle from farmers in the drought area who are unable to feed them and ship them to Indian reservations, is not viewed with favor in some quarters. The idea is to have the Indians start herds of pure bred stock on their reservations; but it is feared most of the cattle will find their way into the stew kettle.

The Indians are likely to think the cattle are sent them for food; they will disregard the pedigrees of the animals and accept them as beef. Thus the government experiment will fail.

Perhaps the Indian should be given the benefit of the doubt. He has learned much during his association with white men, and many members of his race have been trained in agriculture. He is certainly intelligent enough to know the value of cattle, and if he is not, it will cost the government little more to teach him, so that he can improve the stock on his reservations.

There are doubtless many white people who would not know the value of pure bred cattle and would consider them only as good beef. After all, pure breeds are no good unless they can produce better beef or better milk.

## Again The Woodchuck

Remember the old story of Daniel Webster's first case, when he intervened to save the life of a woodchuck that was caught in a trap on his father's farm. Father was the judge and young Dan won the case. But this did not free the woodchuck from blame for damaging crops, and now he has another count against him.

A woodchuck dug a hole in a 20-acre field near South Bend, Ind. Two aviators were on their way to South Bend from Valparaiso. Something went wrong and they had to make a forced landing in that field. The woodchuck had not left a red lantern by the hole.

When the plane landed, one wheel went into the hole. The landing gear buckled, throwing the plane off balance. The propeller was broken and a wing damaged. Neither aviator was injured.

Now if Daniel Webster were still practicing law could he make a good plea for the woodchuck? In the opinion of the two who had their plane cracked up, he could not.

sisting that the rest of the world are their enemies that appearances now seem to confirm their theories. They have sold the world the idea perhaps.

From the day when German school children were taught, "Deutschland ist der Vaterland, unringt mit Freuden" (Germany is the fatherland surrounded with enemies), to this last, incredible statement by Press Agent Hoppe of the Hitler Youth.

"Throw from you the last remnants of your Christian education. Hurl from you the Jewish-Christian ideas of sinfulness, pity and love for your enemies. We must be hard if we would conquer. A curse upon sympathy and mercy." The Germans have been begging for a divorce from the friendship of other nations. Late reports indicate that they are getting.

Whale oil is being used for butter fats, paper for shoes, flour is augmented by potatoes and other stringencies indicate commercial isolation for the Fatherland.

## Views of The Press

AN EARLY, SEVERE WINTER

From The Sioux City Journal. The first chill winds come, and immediately long distance forecasters predict an early and severe winter. Meteorologists may be amused by this, but they make no such predictions, knowing it is impossible to determine months ahead what weather conditions are to be. Of course, it frequently happens that long distance forecasters do hit the nail on the head. If one predicts a severe winter, another says it will be mild, and still another insists it will be an average season, one of the three predictions will work out.

There long has been a contention on the part of weather students (not official) that a severe winter will follow an extraordinarily hot summer. The argument here is that there has to be struck, that there is about so much cold weather to balance the hot, and vice versa, so that the winter would have to be one of extreme cold to balance the summer of extreme heat. Yet there have been mild winters following very hot summers. There is a suggestion of balance of heat against cold and for the good reason that our summers usually are hot and our winters usually produce low temperatures. As averages go this is borne out as a rule year by year.

If the winter to come is to be severe, that will mean plenty of snow. Low temperatures are rare over long periods of time unless there is much snow. And if we have much snow, that means precipitation and no winter drought. The prediction of a severe winter is nothing alarming. In the first place the prediction is not dependable, and in the second place it would be a good thing if we had an old fashioned winter with deep snows and plenty of moisture.

What Brain Trust?

Speaking of the Brain Trust, it's got to the point where even more people than doubt its existence. Somebody in Philadelphia the other day mailed a letter to "The Leading Thinker, Director of Columbia Administration, Washington, D. C."

Was the letter sent changing overseas after Dr. Tugwell, or rushed to the Brain Trust had bought a copy to pick to pieces, it wouldn't account for that many.

One Cheering Note

Silver lining in the drouth situation: It brought a minor boom to the manufacturers of packaging machinery used in packing meats, fruits and vegetables. NRA had to grant them permission to work overtime until mid-October.

The Liberty School opened Monday morning Sept. 3, for the coming school term with Mr. Hubert of Chas as teacher.

Mrs. Wilbur Williams entertained Thursday the ladies from the Mound Woman's club.

The Kinman 4-H Club will meet Tuesday night at the school house.

Those in charge are Ruth Eleanor Williams, Mrs. Ruth Fitzsimmons, Mrs. Ruth Scott, Margaret Fitzsimmons and Helen Hadden.

Mrs. George Ranson resumed her duties at the School for the Dead Monday, Sept. 3, after two months' vacation.

Mr. and Mrs. Tom Headen and Mr. and Mrs. Bert Killam called on Fred Killam and wife Friday night.

Miss Lucille Coulter of Fox Lake, Wisconsin, who has been visiting for the past six weeks with her grandmother Mrs. Minnie Coulter of Markham, returned to her home Thursday. An aunt and uncle, Mr. and Mrs. Tom Coulter and Mr. and Mrs. Harry Killam drove her home and spent several days in Wisconsin visiting relatives and friends while there. On their return home they stopped at Madison, Wisconsin, and Starved Rock at LaSalle, Ill., and remained over night in Bloomington with Mr. and Mrs. Lee Fox, until Sunday.

The G. T. S. club met with Mrs. Chester Thomason Sept. 12. All members dressed like children.

Nothing New in AAA

The AAA is really nothing new to Washington. Because there was already the American Automobile Association, the AAA Chemical Co., the AAA Coal and Supply Co., the AAA Welding Shop and the AAA Exterminating Service.

It's all pretty tough on the post office. Wisecrackers insist the most confusion arises between Mr. Wallace's

and Mrs. Nettie Wallace, newspaper publisher.

## Buckhorn

Mr. Dean Myers Rock and two children, of Chicago, visited last week at the home of his uncle, Harry Tarzwell and family.

Mr. and Mrs. Geo. W. Simpkin and Mrs. Lucy Adams, of Jacksonville, spent Sunday with Mr. and Mrs. Geo. A. Simpkin.

Mr. Peter Carroll, Misses Gilligley and Mae Sherry spent Sunday evening with Harry Tarzwell and family. Miss Nell Ring, who has spent the summer at the home of her sister returned to Jacksonville with them to resume her work at School for the Blind.

Mr. and Mrs. Carl Simpkin and family were Wednesday evening visitors in Murrayville.

Mrs. Nettie Miller, Stella and Harold Cunningham, Jacksonville, spent Friday with their sister, Mrs. Cecil Simpkin.

Mr. and Mrs. Fred Crabtree, of Jacksonville, were Sunday afternoon visitors at the home of Mr. and Mrs. Harry Tarzwell.

## WILLIAM STEWART

WEDS RUBY FARMER

William Stewart and Ruby Farmer, both of Waverly, were united in marriage yesterday afternoon at three o'clock at the court house. The ceremony was read by Justice C. S. Smith.

Witnesses to the rites were the parents of the bridegroom. After a brief wedding trip, Mr. and Mrs. Stewart will be at home to their friends at Waverly.

Now if Daniel Webster were still practicing law could he make a good plea for the woodchuck? In the opinion of the two who had their plane cracked up, he could not.

## The New Deal in Washington

During the absence of Rodney Dutcher, Journal-Courier Washington correspondent, on vacation, Willis Thornton will write the daily Washington column.

Washington—The horror of the Morro Castle disaster has fanned congressional interest in just how thoroughly the Commerce Department is enforcing shipping regulations.

Despite Captain Warms' assertion that he carried a full and experienced complement of crew except in the steward's department, Representative William Supthin of New Jersey says he has information that the crew was "new and undisciplined." The Licensed Officers' Association has also hinted that some American lines hire men of questionable competence.

And Senator Homer T. Bone of Washington flamed up over again about the case of the Dollar Line's President Grant. The collector of customs at Seattle refused her clearance for the Orient in July during the dock strike, claiming that she had only three able seamen aboard, while her papers required 19.

Some of the men claiming to be able seamen on the Grant didn't know the difference between port and starboard. Collector Saul Hass claimed. But, fumes Senator Bone, pressure was brought on the Commerce Department in Washington, which permitted Hass to release the President Grant on prepayment of a \$500 "bond."

"That's nothing but selling indulgences," cried the senator, "or peddling licenses to violate the law."

You may hear more about this when congress convenes this winter.

## Hoover Still Has Fans

Somebody in Washington cares what Herbert Hoover says.

His first piece on liberty came out in the Saturday Evening Post on Tuesday. On Wednesday there wasn't a copy to be had in Washington. By Thursday the distributors had six men sent to the town to pick up just one copy for filing purposes. But 23,500 copies had sold out clean, an increase of 1,500 over usual Washington figures. And there weren't any more.

Even if every reputed member of the Brain Trust had bought a copy to pick to pieces, it wouldn't account for that many.

## What Brain Trust?

Speaking of the Brain Trust, it's got to the point where even more people than doubt its existence. Somebody in Philadelphia the other day mailed a letter to "The Leading Thinker, Director of Columbia Administration, Washington, D. C."

Was the letter sent changing overseas after Dr. Tugwell, or rushed to the Brain Trust had bought a copy to pick to pieces, it wouldn't account for that many.

Guard your diet with MILK!

So cleverly has Nature balanced all the vitamins, minerals and proteins in milk, that when used in combination with other foods, it corrects their dietary shortcomings. That's why we say drink Morgan Dairy milk with every meal and guard your diet. See if it doesn't make you feel more energetic—more alive, because a balanced diet is mighty important to good health.

violin which has been so successful for a number of years will be continued. The private pupils of Mrs. Martin, who is ill, will be taken care of until her recovery by Miss Mahala McGhee, and Miss Myrtle Larimore. The group work will be given by Miss McGhee.

In order to aid in creating an artistic musical atmosphere for the benefit of its students and the community, the Conservatory has arranged for its usual Artist series.

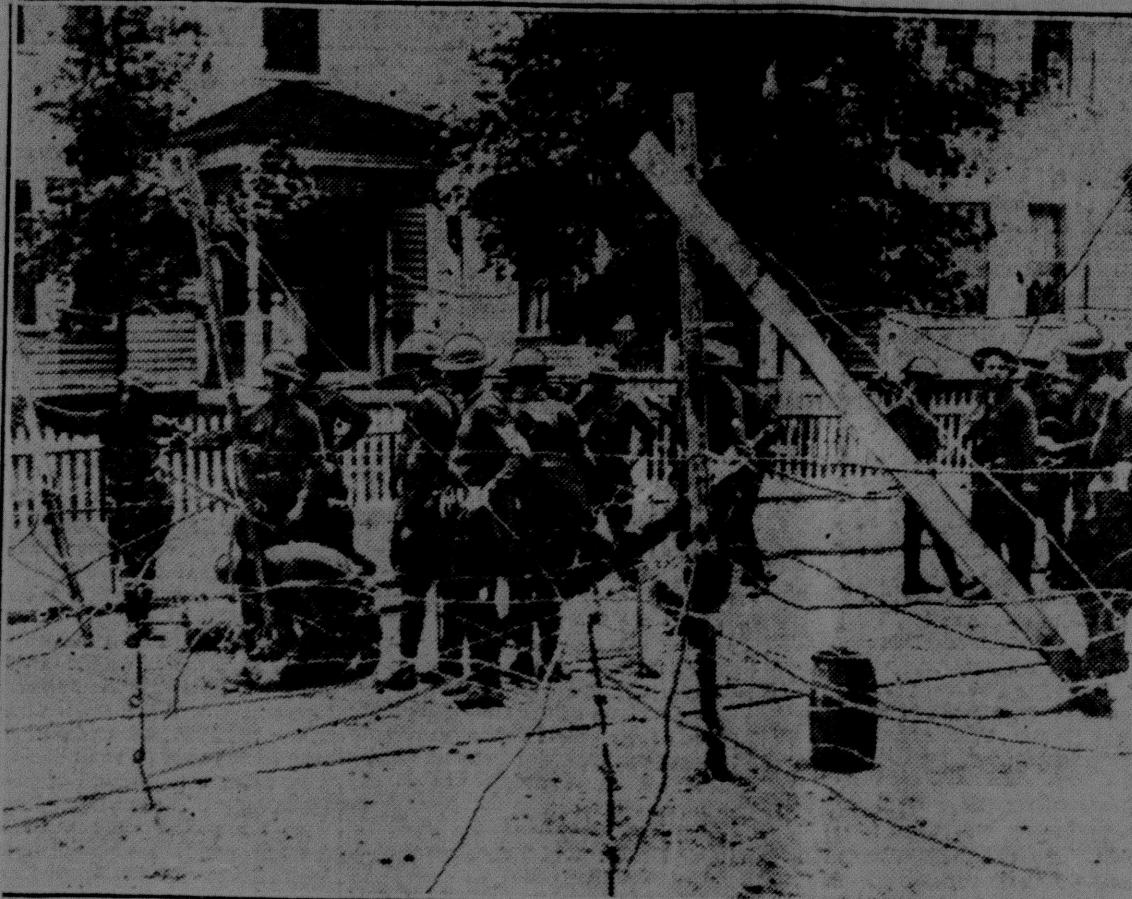

The usual faculty series of recitals will also be continued. Faculty members who have studied during the summer include—Mr. Hugh Beggs, at the Eastman School of Music of the University of Rochester; Miss Mahala McGhee, at the Chicago Musical College, and Mrs. Elizabeth Blackburn Martin, at the American Conservatory in Chicago. Mrs. Martin has recently been invited to contribute to the supplementary Music Materials of the Oxford Piano Course published in England.

The Conservatory is prepared to care for all students of music education, whether they are interested from a serious professional standpoint or from that of general culture. All vocal, string, brass, or wood students who have a reasonable degree of proficiency are eligible for membership in the college orchestra and singing groups. The orchestra will also welcome players of the community who are eligible to membership.

College opens Sept. 24. Call for information, Miss Carlson, 1470X.

## Troops Wait Behind Wire for Mill Workers' Attack

Like No Man's Land, the battle front in the Saylesville, R. I., textile conflict is a maze of barbed wire. Here guardmen are shown after they have strung a barricade to defend their position against attacks from 3000 strikers and their sympathizers.

## White Hall Young People to College

White Hall—Among the young people from White Hall who are attending college this year, some of whom are already gone and some who are leaving soon, include Robert Piper, who will be a senior in the St. Louis Medical University, in St. Louis; Edward Giller, Jr., who will attend Military school at Booneville, Mo.; Lucy Lynn Smith, a junior at the Illinois State Normal University at Normal; Isabel Evans, Leona Ryan, Gladys Rose and Dorothy Roodhouse at MacMurray College in Jacksonville; Anna Mae Bates, Clare Silkwood and Dean Johnson at Illinois College in Jacksonville; Lucy Jane Corsa at Stevens College in Columbia, Mo.; Arlene Bridgewater and Weston Roodhouse in the University of Arizona, at Tucson, Ariz.; Grover Nash, Maxine Evans and Edward VanDerheyden of White Hall; William Garrison of Hillview; Donald Battershell and Bud Moulton of Roodhouse, Virginia; Fishback of Carrollton will attend the University of Illinois.

### Gives Theater Party

Miss Isabel Evans gave a theatre party for her friends Misses Alice Smith, Halle Galbuly, Leona Ryan and Anna Mae Bates. After the theatre they enjoyed chili at the home of Mr. and Mrs. Ward Evans on West Franklin street.

Miss Halle Galbuly entertained the same group of girls at her home at a dinner party Friday night.

Miss Leona Ryan will also entertain this same group at a dinner party given at her home Saturday night.

Miss Anna Mae Bates will give a dinner party for these same girls at her home Sunday noon.

This series of parties is given as farewell to Misses Isabel Evans and Leona Ryan, who will attend MacMurray College Jacksonville, and Miss Anna Mae Bates, who will attend Illinois College, Jacksonville.

## SOCIETY

this time the public will be invited to attend.

Missionary Circle Meets at Rice Home

A delightful birthday party was held Saturday afternoon by members of the Susie Eames Missionary circle class of State street Presbyterian Sunday school at the home of the teacher, Mrs. C. L. Rice, 1541 Mound avenue. Games, music and guessing contests furnished entertainment for the occasion. Refreshments were served.

Members of the class present included Mary Jo Brown, Suzanne Dobyns, Maxine and Imogene Long, Therese Swandeman, Alice Ricks, Margaret Dunninay and Doris Wolke.

The committee in charge of the affair was Jerry Bransitter, Mary Beth Rogers, Ina Colton, Melinda Jennings, Rosalie Updegraff, Audra Livenood, Harriette Craver, Betty Sooy, Evelyn Cruzan, Elizabeth Heffernan, Mildred Hamm, Vida Armstrong and Mable Dunavan.

## Women's Relief Corps Held Meeting Friday Afternoon

The members of the Women's Relief Corps held their regular meeting on yesterday afternoon at the American Legion Home. During the business session it was decided to hold a quilt display at the next meeting and at

the church. A large attendance is expected.

## Dinner Bridge Will Be Held at Country Club

On Friday evening, Sept. 21 a dinner bridge will be held at the Jacksonville Country club. Dinner will be served at 7 o'clock and following this there will be a "Renewal of Hostilities" at bridge, the women challenging the men. The members are very much interested in this tournament and a large number are expected.

As the guests were assembling, a musical program was given by Miss Stella Ring, and during the offertory Roswick's "Ave Maria" was sung by Mr. and Mrs. Frank Flynn, uncle and aunt of the bride, and their daughter, Miss Margaret Frances Flynn. Miss Stella Ring also played Mendelssohn's wedding march for the recessional.

## Bride Attired in White

The bride was attired in a lovely gown of white transparent velvet with short train. The shirred waist was fashioned with long sleeves and high cuff effect. The bride's hat was a white tam o' shanter of transparent velvet. She wore short white gloves in mousquetaire style. Her slippers were of faille in sandal design, and she carried an arm bouquet of white lilies.

Miss Armstrong, as bridesmaid, wore a charming dress of transparent velvet of Scotty green, with hat to match. Her gloves were white, as were her satin slippers, and she carried an arm bouquet of briercliff roses.

The ushers were Edwin and Robert Henry, brothers of the bride. Burnett Bunch and George Lukeman, Jr. Billy Henry, brother of the bride, and Billy Gaitner served at the Nuptial Mass.

The bride is the daughter of Mr. and Mrs. J. L. Henry, 215 Webster avenue. She is a graduate of Routh High school and Villa de Chantel at Rock Island. She also attended MacMurray college and Illinois college. While at Illinois college, she was a member of Sigma Phi Epsilon society. After the announcement of the wedding date many parties were given in her honor.

Mr. Vickery is the son of Mr. and Mrs. John R. Vickery, 1213 W. State street. He attended Illinois college, where he was a member of Sigma Pi literary society. He is now a senior at the Massachusetts Institute of Technology in Boston and is a member of Sigma Phi fraternity. Both Mr. and Mrs. Vickery are popular so-

cial figures.

School children of Jacksonville and Morgan county will get to see a real wax museum free of charge on either Monday or Tuesday, according to the management of the exhibit on display all the week in the Duffield building west side of the square. Arrangements will be made Monday morning for the accommodation of all school children to view the exhibit in groups.

The exhibit, traveling over the country, is from the original Eden museum in New York and began in 1790. There are fifty figures on display, including one for each president of the United States. There are two of Lincoln, also life-sized figures of Virginia Dare, Betsy Ross and other famous characters.

Gangsters' figures, including those of Dillinger, Zangara, Capone, and others, are shown in a display depicting that "crime does not pay."

## Impressive Nuptial Mass Unites Popular Jacksonville Couple

cially and they were the recipients of many handsome gifts.

## Reception Held at Inn

Immediately following the ceremony, from 10:30 to 11:30, an informal reception was held at the Colonial Inn for the bridal party, relatives and intimate friends. Dainty refreshments were served, and a pleasing feature of the reception was the cutting of the wedding cake by the bride, each guest receiving a piece. The tokens which were concealed in the cake were the dime, ring and needle.

The bride's going-away suit was of dark green velour, trimmed in fur. She wore a brown hat and shoes, with accessories to match.

Following the reception, Mr. and Mrs. Vickery left by automobile for Boston, where they will reside.

The out of town guests were: Mrs. J. W. Corrigan, Omaha, Nebraska; Mr. and Mrs. Tom Cross, Chicago; Mr. and Mrs. Lloyd Seeley, White Hall; Mrs. William Angle, Mr. and Mrs. J. C. Prib, Mr. and Mrs. Rufus Angle and son, Billie, Mr. and Mrs. Louis Angle and daughter, Alice, from Louisiana, Missouri; Mr. and Mrs. E. W. Vickery and Mr. and Mrs. Leo Moore, of St. Louis.

Romance and history are closely intermingled in the panoramas of beautiful gowns to be worn in a unique Pageant, "Lady America," to be sponsored by the women of the Congregational Church of Jacksonville, on the evening of October second. The First Ladies of the Land will live again when a local cast of sixty women, girls, and boys, under the guidance of a Professional Producer, Mr. Frank Carey, of Racine, Wisconsin, will model gowns of the Presidents' wives, as well as of other interesting women and groups of each Period. The producer will furnish twenty-seven of the Period costumes, including those of such famous women as Martha Washington, Dolly Madison, Mrs. Lincoln and also such group costumes as those of the Quakers, the Louis Alcott girls, and the American Indians. Authentic Gowns and accessories, worn by models especially chosen to represent each famous woman, will give an actual reproduction of beautiful pictures of the First Ladies. In addition to these costumes, many of the gowns to be worn are locally owned, adding interest data concerning Jacksonville History for many generations past.

Special music, under the direction of Mrs. A. R. Gregory and Miss Mary Torney, will be furnished. Novel stage and lighting effects, used in displaying the tableaux, will be added features of the entertainment.

The Pageant will be presented at eight o'clock on the evening of October 2nd at the Congregational Church. The admission will be twenty-five cents. Advance purchase of tickets may be made through Mrs. Samuel Osborne, Chairman of the ticket committee, or Mrs. Earl Spink and Mrs. J. M. Hollowell, members of the committee.

Mrs. L. S. Doane and Mrs. Robert Allen are general chairmen of the committee engaged in choosing the large local cast.

## GIVEN SCHOLARSHIPS

Champaign, Ill., Sept. 15.—(P.M.)—Geraldine Elliott, Centralia; Helen Louise Lee, Harrisburg; Jane Tomlinson, Obion, and Eleanor Krughoff, St. Joseph, today were named recipients of the Thomas J. Smith scholarships for music, this year at University of Illinois.

Chapin callers in the city yesterday included Mrs. Fred Paul.

## Woman's Club Plans Fine Programs This Autumn and Winter

As the Jacksonville Woman's club begins the work of the club year, the officers and members realize the ever increasing demand for organized effort to aid in community welfare, in the homes and in the schools.

The departments of work have been thoughtfully planned by Mrs. Herbert Capps, program chairman, in cooperation with Mrs. J. Marshall Miller, the president. All members are urged to avail themselves of the opportunity to hear the outstanding speakers and messages outlined by the officers and chairmen for the coming year. Inspiration and information received at the beginning of the year's work will be of great value in carrying on club activities.

Mrs. Capps announces the first meeting of the society for Saturday, Oct. 13, at the D.A.R. Chapter House. This will be a 1 o'clock luncheon with splendid program.

The highlights on the year's program are Commodore Herbert Hartley, former commander S. S. Leviathan; Commander U. S. N. R. who will address the club. Thirty years' experience have provided experience and humorous incidents. Among the interesting facts, he speaks of

Editor and publisher of the only French newspaper in Louisiana is a woman, Mme. Gabrielle de Baroncelli.

## Airman Dies Bringing Bombs to Strike Front

Mute reminders of a mission that was never to be fulfilled, tear gas bombs which were to have been delivered to Rhode Island national guardsmen at Providence for use in textile strike activity, are shown being gathered by Pennsylvania CCC boys shortly after Theodore (Ted) Taney, veteran Pittsburgh airman, crashed in the Tuscarora mountains near McConnellsburg, Pa. Taney, operations manager of the Central Airlines, who was transporting the bombs when his plane plunged, is pictured at right. His plane was demolished.

### Greene and Jersey Baptists End Meet

Jerseyville—Rev. W. A. Steinakraus, pastor of the Jerseyville Baptist church, was re-elected Moderator of the Greene-Jersey Baptist Association at the twenty-ninth annual conference which closed Thursday after a three day session held at the First Baptist church in Kemper. Rev. W. W. Brown of Greenfield has been selected to give the introductory sermon at next year's convention and Rev. Milo Moore of Kane will deliver the Doctrinal address. The place for next year's conference has not yet been chosen.

At the election Thursday evening Herschel Fritz of the Bethel church was re-elected president of the Young People's organization and Mrs. W. B. Thomas of Carrollton was renamed president of the Women's division.

Over two hundred people attended the Young People's conference Thursday, although the attendance at all the sessions of the conference was greatly diminished by the rain.

Among the young people from Jerseyville who attended the banquet Thursday evening were: Misses Dorothy Lee Warner, Eugenia Corzine, Eileen Hanlin, Juanita and Vera

Mourning, Iliger and Melvin Beckner, Moore Stelle, Russell and Paul Palmer, George Embrey, Roscoe Reisner, Karl and Robert Steinakraus and Eugene Heiner.

Williams

Rush D. Williams, who was affiliated with the Ware Drug store of this city for a number of years, died at 9:35 o'clock Thursday evening, September 13th at the home of Rev. and Mrs. Oscar F. Barnes on East Exchange street. The deceased had been ill for a number of months, and sometime ago underwent an operation at the Barnes hospital in St. Louis. His condition following the operation failed to improve.

The deceased was the son of George A. and Matie Dean Williams, and was born in Hardin, Illinois, October 5, 1887. At the time of his death, he was forty-six years, eleven months and eight days of age. For fourteen years, Williams was employed as pharmacist at the Ware Drug store in Jerseyville and during his residence here formed a wide acquaintance.

The deceased is survived by two brothers, J. A. Williams of Hardin and P. B. Williams of St. Louis. Fraternally, he was a member of the A. F. & A. M. in Hardin and the Shriners in East St. Louis.

The body may be viewed at Jacoby Brothers Chapel in Jerseyville until eight o'clock Sunday morning when it will be removed to the home of J. A. Williams, brother of the deceased in Hardin. It will remain there until the funeral.

The funeral rites will be conducted Sunday afternoon, September 16th at two o'clock at the Hardin Presbyterian church with Rev. Harold E. Farrill of the Jerseyville Presbyterian church officiating. Interment will be in the Hardin cemetery.

Services will be in charge of Hardin Lodge A. F. & A. M. The pall bearers will include Charles Ringhausen, Philip Aderton, Perry Shaw, R. Leo Smith, Harry Ringhausen and Wm. Surgeon.

Ad-Letter Contest  
Winners Announced

Poetry may not always express one's opinion, but for Mrs. Will Goffinet, Rural Route 2, Chapin, it answered completely the question of last week's "Ad-Letter" contest, namely: "Why Think of Hopper's When You Think of Shoes?" and brings her a cash prize of \$500.

Second prize of \$300 is awarded Mrs. Thomas Graves, 240 E. Beardstown street, Virginia; while third money of \$200 goes to Mrs. T. O. Hardesty, 7 Duncan Place, Jacksonville. Prizes of \$100 each are distributed as follows: Mrs. Newton Wilson, Sinclair; Roberta P. Jones, 1457 South Main street, Jacksonville; Mrs. H. Yates Potter, Rural Route 3, Winchester; Harvey Smith, Murrayville; and Mrs. Henry C. Schall, Rural Route 7, Jacksonville. All cash prize winners will be notified by mail.

Fox-Illinois theatre tickets are awarded the following, and may be called for at the Hopper Shoe Store: Mrs. Charles Mason, 862 Hardin avenue, Jacksonville; Mary Robinson Farrell, Rural Route 6, Winchester; Mrs. Ralph Beck, 226 East Simmons street, Roodhouse; Miss Virginia Crum, 329 West Prairie street, Waverly; and Mrs. J. U. Collins, 450 South East street, Jacksonville.

Mrs. Goffinet's letter, in the form of a rhyme, is as follows:

It's a settled fact as I look back  
For thirty years and more,  
Whenever I needed a pair of shoes  
I'd go to Hopper's Store.  
Through all these years for you and me,  
They've offered Superior Quality,  
Modern Style and Perfect Fit;  
Economy, too, they've seen to it."

This week another fifteen dollars in cash and five guest theatre tickets are offered for letters. The number of letters received during the past week reached a new high in number, so the interest in this week's contest should be great. You'll find the game is easy and worth-while too, with thirteen prizes to be awarded. Look elsewhere in this edition for the question and rules.

## HOW THIS NEW SERVICE WORKS

If you need an engine "overhaul" simply drive your Ford into the nearest Ford dealer's. The engine will be lifted from the car. Carburetor, distributor and other units will be removed and placed on a cylinder assembly that has been completely reconditioned at the Rouge Plant of the Ford Motor Company, Dearborn, Michigan.

You get a complete assembly consisting of cylinder block with mirror-finish cylinder bores, new main bearings, a crankshaft with all bearing surfaces just like new. Also new pistons, piston pins, piston rings and a set of connecting rods equal to new. Included in the assembly, of course, are the camshaft, push rods, valves, valve springs and retainers. Cylinder head with new cylinder head gasket is bolted on. The timing gears and front cover are in place and the oil pump is included. It is a complete cylinder block assembly—carefully inspected and block-tested—ready to give you new engine performance.

With no waste of time the reconditioned engine is put back into your car or truck. Only a few hours are required for the entire job. And you have an engine that's as good as new.

### Many Other Units Included In This Exchange Service

If your carburetor, generator, or any of several other important units need major repairs it can be replaced with a factory-reconditioned unit—at much less than the usual cost of repairs. Note the low charges for factory-reconditioned parts:

Engine	V-8	44"
Cyl. Assembly	\$49.50	\$46.50*
Distributor	1.90	—
Carburetor	1.85	—
Shock Absorber	2.00	2.00
Fuel Pump	1.65	1.65
Clutch	2.75	2.75
Disc Assembly (Car)	2.75	2.75
Clutch	3.80	3.80
Pressure Plate	45	45
Brake Shoe (Car)	45	45

\*Includes installation. Price F. O. B. Pare  
Branches. Slightly higher west  
of the Rockies.

FORD  
offers this  
NEW SERVICE

...Instead of an "Overhaul"—  
a factory reconditioned engine

Every mechanism, no matter how finely made, eventually wears and must be reconditioned. Automobile engines are no exception.

The Ford V-8 is the finest, most dependable and most rugged engine Ford has ever built. But there comes a time when any piece of machinery should be reconditioned to renew the efficiency originally built into it.

The Factory that built this engine is best equipped to recondition it. Here are the men, the precision equipment and the inspection methods which insured the excellence of the engine in the first place. Therefore the Ford Motor Company has instituted this exclusive new service to owners of Ford cars and trucks. When the owner of any Ford built since 1927 finds that his engine needs an "overhaul", he can have a factory reconditioned engine—at approximately half the cost of an old-fashioned "overhaul".

The Ford owner not only gets a much better job at far less cost—but only a few hours are required to make the exchange.

This "Exchange Plan", which also includes many other units of Ford cars and trucks is an important forward step in automotive practice.

## Oil-O-Matic

THIS IS NO NEW DEAL AND YOU NEED NOT EXPERIMENT. Because sixteen years ago the Williams Oil-O-Matic Corporation, of Bloomington, Illinois, introduced FULLY automatic oil heat. Fully automatic means NO LABOR OF ANY KIND. It means that an automatic switch, known as a thermostat, starts and stops this world famous oil burner just as heat is required for your comfort. There is no work to do at the furnace or any place, and no thought or worry about fuel deliveries since oil is accurately metered to your storage tank at regular intervals. You need not wait at home, THE TANK IS KEPT FILLED. Over 150,000 homes, both the finest and the most modest in America and forty-four foreign countries, enjoy this inexpensive heating service. Installed in any type heating plant, the cost of operation is so surprisingly low, that thousands of owners consider it a dividend saving investment, rather than a luxury.

BE RID OF FURNACE DRUDGERY. Without obligation, call us for a consultation and the cost, for your particular requirements. Over one hundred homes and business buildings in Jacksonville using this proven, economical heating service.

## Jury Discharged on Failure to Agree in J. M. Wilday Case

The jury which Friday heard the suit to have a conservator appointed for J. M. Wilday, wealthy farmer of the Meredosia community, failed to reach an agreement Saturday. The members were discharged at noon by Judge James Barnes of the county court. Another hearing will have to be held if the petition is allowed or rejected.

A statement of Marco Polo's required 600 years to prove. He discovered the great sheep now known as Ovis Poli, but the world believed that no such animal existed, until 600 years later.

## What's Wrong? We Don't Know! But—

According to figures supplied by the N. B. of C. S. Underwriters for the first six months of this year, fatalities due to automobile accidents have increased 20% over 1933. At this rate the toll will be 37,200 dead and over a million hurt in 1934.

We can't stop the accidents, but we can see that you are compensated if injured and that your dependents are cared for if you lose your life.

## Troops Go Over the Top to Battle Rock Throw Rioters

The white stones littering the street up which these Rhode Island national guardsmen charge are missiles that comprised the rock barrage with which Saylesville, R. I. textile strike rioters greeted attempts to disperse them. More than 1,500 troops have been mobilized in the little manufacturing town in efforts to prevent recurrences of disorder.

## Carrollton Woman Four Agencies May Announce Wedding Dies Friday Night Combine Campaigns of Eulah Caldwell

Carrollton, Sept. 15—Mrs. Mattie Dowdall Hackley, 66, passed away at 6:40 o'clock Friday evening at her home in the south part of this city. She was the wife of Herbert Hackley and the daughter of the late James and Mary Dowdall. She was born at the Dowdall homestead, 44 miles southwest of Rockbridge.

On June 20, 1892, she was married to Herbert Hackley, who survives her, together with the following children: Mrs. James Widdowson, Herschel Hackley, Mrs. Zelma Spaulding and Miss Bernice Hackley, all of Carrollton, and two sisters, Mrs. W. W. Lewis of White Hall and Mrs. L. C. Thompson of Carrollton. She is also survived by six grandchildren.

Funeral services will be held at 2 o'clock Sunday afternoon from the residence here, in charge of Rev. T. J. Roady, with interment in the Carrollton city cemetery.

Annoying smoke which has bothered passengers on ocean liners is now eliminated by smoke deflectors. These devices divert the smoke from the decks and throw it high into the air.

Waverly Sept. 14—Mr. and Mrs. L. W. Walker, Mrs. Hosa McCracken, Mrs. Jessie Stewart, Mrs. Truman Farmer and Miss Jessie Farmer attended the funeral services for Miss Helen Welge in Raymond Wednesday afternoon.

Timmons and Mrs. Walter Burns Timmons and Mrs. Walter Burns went to Clarion, Ia., this week, called by the death of Sam E. Jones.

Mrs. Laura O'Connor of St. Louis, is visiting at the home of her cousin Mrs. Carrie Deatherage.

Mrs. Fred Cline, Mrs. Lena Fant and Mrs. George Beuseusa, left Friday for their homes in Cincinnati, Ohio and Indianapolis, Ind., after a visit at the home of Misses Madge and Carolyn Lombard.

Robert Fleming of Sebastopol, Calif. visited friends here Wednesday and Thursday.

Mrs. F. A. Kennedy left Wednesday for a visit at the home of her parents in Knoxville, Tenn.

Misses Evelyn Wyle and Helen Walker who are taking the Nurse's Training Course at Mercy Hospital in Burlington, Ia., visited relatives here the past week.

Two girls are employed by a rubber company in Liverpool to test rubber footwear of various types. They walk 12,000 miles in four years of testing.

## CHARGES MADE BY NRA HEAD ARE DENIED

(Continued from Page One)  
A proposal by silk mill owners that a public hearing under the NRA be conducted here in an effort to settle the strike in that branch of the industry met a flat rejection at strike headquarters. Gorman said:

"The organization would be childish to accept that kind of proposition after the general's talk of last night when he aligned himself on the side of the employers."

Mr. Van Horn would do well to get a representative group from his association to meet with a group from the organization of the workers and in that way the issues would be discussed and a settlement reach. We don't propose to leave our case in the hands of those who have taken a biased or prejudiced position."

The usual Saturday mill closings brought a general calm to the strike front. It enabled both mill owners and union leaders to prepare for a critical period which both expect to begin on Monday when the strike enters its third week.

As on last Monday, the employers

are planning a determined effort to reopen a large number of closed mills under the protection of national guard units, now on duty in a half-dozen states. Labor leaders promised an unyielding resistance to such a move.

The presidential mediation board, headed by Governor John G. Winant of New Hampshire, has found it impossible to obtain an agreement for arbitration of the controversy. Both the opposing factions have predicted, consequently, a long hard struggle.

The board is still at work. But in the light of its inability to end the conflict, President Roosevelt is expected by many to take personal charge of the situation at the next violent outbreak.

It was understood to have gone to Rhode Island ready to do so.

The controversy between Gorman and Johnson began with a speech the general made last night before a meeting of NRA code authorities in New York.

LYNNVILLE H. S.  
HOLDS MEETING

The missionary society of Lynnville Christian church met recently at the home of Mrs. Robert Headen. The president, Mrs. H. V. McNeely had charge of the program for the afternoon with the subject "Christ in the Modern World." Mrs. Wilbur Gibbs was devotional leader. A paper entitled "The Church Across the Way" was given by Mrs. Henry Mason. Another paper "The Old School Bell Ringers" was read by Mrs. Harold Campbell. "Let's Call a Doctor" was the title of a paper given by Mrs. Robert Headen. Mrs. Lankam from Aberdeen, Washington was a visitor and told of the work of missionary societies there.

Following the program refreshments were served by the hostess assisted by Mrs. Harold Campbell and Mrs. Henry Mason.

The next meeting of the society will be held on October 4th at the Christian Home for the Aged at Jacksonville.

Among the Pittsfield shoppers in the city yesterday was Mrs. Thomas Foster.

## Royal Family of Munitions Faces Senate Probers

Four members of America's royal armament family, the du Ponts, here are shown as they appeared before the Senate committee investigating munitions. The probers learned that the du Ponts, after rolling up a war-time business of \$1,245,000,000, had, in one of its most prosperous years, protested a federal munitions levy. The four du Ponts, representing the greatest aggregation of wealth before a congressional committee since J. P. Morgan and his directors sat in the Senate room, are pictured above, left to right, Felix, Irene, Lamont and Pierre du Pont.

## ST. AUGUSTINE CHURCH PROPERTY IS IMPROVED

Beautify The Grounds at Ashland; Other News Notes

Ashland, Sept. 15.—Members of St. Augustine church are working to beautify the grounds north of the church. With the debris cleared, grass seed will be sown and an attempt made to make the spot a large expanse of green—welcome sight to travelers along the state highway.

**Hopper-Hunter Rites**  
The many friends of Miss Edith Hunter were surprised to learn of her marriage to Eugene Hopper of Jacksonville. The wedding took place August 28, 1934, at the home of Miss Jennie James, Rev. D. L. Jeffers pastor of the local Methodist church officiating. Mr. and Mrs. Albert Wilson were guests.

**News Notes**  
County Supervisor Dawson was in Ashland this week surveying the eight blocks of street that will be graveled under state specification. The amount of money due Ashland from gas tax will pay for the construction of eight blocks only. The work is to start immediately.

The mission which has been held in the Catholic church this week has drawn large crowds each night. Rev. Father Leonard, a member of the Franciscan Order conducted the mission.

Mr. and Mrs. Henry Stout of Clarinda, Iowa; Charles E. Stout and John Emil Julian of Nebraska City, Nebr.; Mrs. Charles Childers of Sheridan, Mo.; Mr. and Mrs. H. E. Frerichs and children, Jeanette, Mary, Catherine and Billy of Eureka, have been guests at the William C. Stout home.

Travis O'Hearn of Davenport, arrived here Saturday morning to spend the week end with his mother, Mrs. William Gerling. Mrs. O'Hearn and Donna Marie, who have been visiting here for several weeks will return home with Mr. O'Hearn.

Dr. and Mrs. W. S. Taylor have returned from Chicago where they spent several days.

On Thursday night the Elizabeth Elmore Chapter O.E.S. held its regular meeting.

On Tuesday, April 17, the first dose of toxoid will be given to all children between the ages of six months and seven years, who have not been immunized.

Miss Ruth Ann Sinclair left Wednesday for Wheaton, where she entered Wheaton college for the coming year.

Mrs. Rae Brown of Oak Park visited Wednesday with Mrs. Sam Danenberger. Mrs. Brown is a sorority sister (Alpha Gamma Delta) of Mrs. Danenberger.

Mr. and Mrs. Paul Duling shopped in Springfield Saturday.

Mrs. Sidney Grogan and baby daughter Annette of Peoria are spending the week with relatives.

Mr. and Mrs. William Bust were Springfield shoppers Friday afternoon.

Maurice Scheve has returned to Champaign where he will resume his studies at Illinois University.

Miss Rachel Lohman entertained as dinner guests Miss Christine and Sylvan Six, Miss Eloise Brownback and Miss Nancy Tormey, Thursday evening.

Miss Christine Six was a Springfield visitor Saturday.

Mr. Gordon Wixom, science teacher in the Ashland high school spent the week end with his brother in Rushville.

**Chapin**  
Chapin, Sept. 15.—Mr. and Mrs. T. K. Evenson and children of Denver, Colorado, are guests at the home of Mr. and Mrs. Luther Brockhouse.

Luther Brockhouse has just completed drilling a deep well and has plenty of good water. He is having an electric deep well pump installed.

See  
**C. O. BAYHA**  
Room 1 Unity Bldg.

## WORLD WAR VETS MUST ACT TO SECURE BENEFITS

All veterans of the World War, who are eligible for benefits under the Adjusted Compensation act, commonly known as the federal bonus, must apply for these benefits by January 2, 1935, which is the expiration date for filing claims.

This same date affects the surviving dependents of World War veterans, widow, children, mother and father in the order named. That is, if the veteran died without making application, his surviving dependents must complete their claim before January 2, 1935.

Veterans should be sure that the beneficiary of his Adjusted Compensation claim, federal bonus, is the one he wishes to receive the settlement of his claim in case of his death. Many veterans have neglected to change the name of their beneficiary when the designated beneficiary has died, the veteran has married, been divorced, or remarried, and in many other instances the veteran may wish a different beneficiary from the one he now has named to receive these benefits, which requires the filing of a change of beneficiary form.

Assistance in filing Adjusted Compensation claims and in changing the name of the beneficiary may be received in the American Legion office at the Jacksonville State Hospital and in the Red Cross office, city hall.

H. M. Shepley of Murrayville was calling on friends here Saturday.

# WILLIAM LITTLE WINS AMATEUR GOLF TITLE

Feeble Breeze Deprives  
Rainbow of Victory Over  
Endeavour in First Race

Newport, R. I., Sept. 15.—(P)—Rainbow, defender of the America's cup, most prized of all yachting trophies, today was deprived of victory over Endeavour, the British challenger, in the opening engagement of the 15th challenge series by a feeble breeze.

After Rainbow had led her rival around almost the entire 30-mile windward-leeward course, the five and a half hours allowed for the contest expired and the sailing match was declared "no contest."

Rainbow was a little more than a half mile from the finish line when the race committee hauled down the red ball signifying the time limit. Endeavour at the time trailed Rainbow by about three-eighths of a mile.

If the inconclusive contest proved anything, it was that Harold S. Vanderbilt and his crew sailed a better race than TOM Sopwith, the challenger, and his men, largely composed of recently recruited amateurs.

It also appeared to show the invader is not so dangerous a contestant in light airs as she was expected to be.

Of course it must be remembered that a racing yacht's performance in impossibly light air has no real standing. It is what they can do in a sailing breeze that decides yachting contests.

Today's course presented a fifteen-mile beat to windward against a light southeasterly breeze to a mark about five miles west of Noman's Land and

## BRAVES NOSEOUT REDLEGS 2 TO 1

Boston, Sept. 15.—(P)—Huck Bettis made it two straight for the Boston Braves over Cincinnati here today, holding the Reds to eight scattered hits as Boston won 2-1 with an eighth inning rally. Brilliant support by the entire Boston outfield enabled the Braves pitcher to register his 15th victory of the season and his seventh straight before a small Saturday crowd of 6,000.

Baxter Jordan, after singling to center, scored the winning run in the eighth on Thompson's long fly to Hafey. Berger was passed after Jordan had singled, but was forced at second by Lee. Jordan going to third.

Boston's victory was the 15th over the Reds this season.

# JACKSONVILLE!

## Its Employment and Payroll Situation

### City Found to Be in an Enviably Position, with an Annual Payroll Well Above Five Million Dollars

While the City of Jacksonville may not be considered as a typical manufacturing center, in the sense of possessing many large factories, it does have within its boundaries the equivalent of several very large industrial plants that give employment to large numbers of persons and have a payroll of well over a million and a quarter dollars annually. (This in addition to its numerous going industries.)

In fact, Jacksonville really is in an enviable position with

respect to its employment and payroll situation, having a total annual payroll that will run close to five million dollars, and possibly much more if a close survey and analysis were made to cover every avenue of employment.

From time to time the question is asked, "Why hasn't Jacksonville more factories?" "Why doesn't Jacksonville go out after more factories?" The answer to those

questions is not pertinent to this information that is being published in the interest of our city now, but the following surely is:

Insurance companies have a slogan: "Protect what you have," and the object of this review is to impress the citizens of this community with its truly fine list of assets, and to urge their protection at all times and in all ways.

#### BRIEF SUMMARY OF CITY'S PAYROLL ASSET

##### INDUSTRIAL EQUIVALENT

DO YOU KNOW—that the three state institutions located in this city give employment to 633 persons and have an annual payroll of approximately \$720,000.00?

DO YOU KNOW—that the colleges of Jacksonville employ over 200 persons and have an annual payroll of approximately \$240,000.00?

DO YOU KNOW—that we have in Jacksonville a private sanatorium and hospital employing about 60 people with an annual payroll of \$50,000.00?

DO YOU KNOW—that our public hospitals employ about 100 persons and have a large annual payroll?

DO YOU KNOW—that there is a large Insurance company, with headquarters in Jacksonville, employing 57 persons in its home plant, with an annual payroll of about \$71,000.00?

DO YOU KNOW—that the foregoing means the equivalent of an enormous sum, if invested in one or more manufacturing plants?

##### OUR MAJOR INDUSTRIES

DO YOU KNOW—that the clothing industry of Jacksonville employs about 450 persons with an annual payroll of approximately \$500,000.00?

DO YOU KNOW—that our shoe factory employs about 150 persons with an annual payroll of about \$200,000.00?

DO YOU KNOW—that our packing plants employ about 150 people with an annual payroll of about \$175,000.00?

DO YOU KNOW—that our public utilities (electric, gas and telephone) employ about 115 persons with an annual payroll of approximately \$110,000.00?

DO YOU KNOW—that our steel plants give employment to about 100 people with an annual payroll of approximately \$80,000.00?

DO YOU KNOW—that our book binderies employ about 200 persons annually with a large total payroll?

DO YOU KNOW—that our local laundry employs 34 persons with an annual payroll of about \$16,188.00?

DO YOU KNOW—that our baking industry gives employment to about 73 persons with an annual payroll of about \$121,000.00?

##### AND IN ADDITION TO THIS

DO YOU KNOW—that there must be included our public schools, and our city and county departments, with their numerous employes and large payrolls; wholesale firms, retail stores, automobile dealers with their allied trades and shops, coal dealers, reduction plant and junk yards, cigarmakers, dairies, ice cream makers, hotels, banks, gasoline and oil companies, insurance agencies, attorneys, dentists, physicians, brokers, real estate men, barber shops, hand laundries, photographers, miscellaneous repair shops, boiler works, garages, railroad agencies, printing and job shops, bus lines, taverns, restaurants, etc. etc. etc., almost too numerous to recount, each giving employment to one or more persons, and adding to the splendid sum total of Jacksonville's annual payroll of approximately \$5,000,000.00?

We should be on the alert for new business for Jacksonville always, of course, but let us not forget our city's really enviable position, and remember always to do everything in our power to "protect what we have."

## Popular Store Has Built Successful Business By Featuring Quality Shoes

Perhaps very few retail stores in Central Illinois, and in fact in the middle west, have such a long and successful community history, as Hopper's Shoe Store in Jacksonville.

Three generations of the Hopper family have served the people of Morgan county and the adjoining territory with footwear of all kinds, and have so pleased their patrons that the store points with pride to the hundreds of families thus served, who have continued through the years to look to Hopper's for the best in style, quality, service and honest economy.

Established in 1867, the firm has undoubtedly seen a great many changing conditions in the style trend of footwear, as well as many periods of unbalanced and unfavorable business conditions.

The present operators of the store are Thomas V. and Fred B. Hopper. Originally the firm had a very small store but had a steady growth thru the years, and it is today one of the more substantial and widely known retail establishments in the city.

The store has been in its present commodious location, at the Southeast corner of the square for twenty-five years. A large stock is handled from this large room, assuring a wide variety, proper display and an abundance of natural light for the buyer to view lines.

From the beginning, the policy of the company and store has been to feature quality, careful fitting and reasonable prices. They have built up a stock list of some of the best known brands in footwear, including the following:

#### FOR WOMEN:

Enna Jetton Shoes.  
Pedigo Shoes.  
Walk-Over Shoes.  
Red Cross Shoes.  
Hopper's Special.  
Constant Comfort.  
Daniel Green Comfy House Slippers.

#### FOR MEN:

Walk-Over Shoes.  
Freeman Shoes.  
Osteopathik Shoes.

Champion Shoes.  
Wolverine Horse-Hide Work Shoes.

FOR CHILDREN:  
Sky-Riders Shoes for Boys.  
Classmate Shoes for Girls.  
and Infants.

Dexdale Silk-Sealed Ringless Hose.

Iron-Claq Hose.

Recently the Economy Department was added to the store; and this department gave the patrons the choice of selected popular priced footwear for every member of the family. The display in this department is unique and inviting, and gives the buyer full view of lines.

They also have a complete hosiery department featuring hose for men, women and children, outstanding in this department is The DeLUXE SILK SEALED RINGLESS hose featured in all the new popular fall shades. Dexdale hose have proven very popular with the women of this community, this department is very conveniently located in the front of the store where complete displays make selection easy for customers.

Hopper's strive to give expert service to the community by proper, careful buying, with the express needs of this community in mind; by correct, courteous and attentive sales service and fitting; by large, ample variety of sizes and widths in all lines; by offering the leading trade-marked lines of footwear in the various grades produced in this country; and in not the least manner, to keep within the community territory the benefits of their success in business.

Hopper's point to a large list of satisfied patrons located throughout a wide area, many of whom have been served through several generations, as the best indications of why their footwear business continues to improve year by year.

## Fireside Circulator Heater

**FIRESIDE** is a HIGHLY DEVELOPED and PERFECTED Heating System

Most circulators consist of merely an ordinary heating unit enclosed in an enameled cabinet. FIRESIDE has many important, special, patented features, the synchronized functioning of which produces, for the FIRESIDE home, the most luxurious and economical heating service ever known. Important features and conveniences not mentioned elsewhere are: (1) High powered, all cast-iron heating unit. (2) All cast iron combustion chamber with 60% more prime radiation surface than original model. (3) Large fuel opening accommodating large pieces of wood. Self-latching feed door with mica illumination—insulated to protect enamel from heat. (4) Direct draft conveniently operated without stooping by chain through main top. (5) Specially designed register draft on ashpit door has spring tension to keep air tight. The draft also provides shaker opening. Check drafts in fire door and cast elbow. (6) Hand holes in cabinet for convenient handling. (7) Ashpit opening on end does not mar beauty of front appearance. (8) Highest class materials, workmanship—guaranteed air tight fittings.

THERE'S NO PLACE LIKE A FIRESIDE HEATED HOME

**GUSTINE'S**  
Quality at Lower Prices.

## Football Teams Include Bread in Their Diet

The first call of football is here and again we find teams assembling and getting ready for a strenuous season. The initial practices consists of limbering up exercises, passing the ball, kicking, passing and few signal formations. Two hours of good hard work, a refreshing shower and then home for supper, or in the larger universities the training table.

What an appetite this wholesome sport creates. The trainer or coach insist that his men eat wholesome food, such as bread, milk, potatoes, meat and vegetables, as it requires energy building foods to build muscles and reserve strength.

Football also requires proper sleep and right living.

If your boy plays football give him plenty of good Kleen-Maid Bread as well as other wholesome foods. Make it part of his daily diet.

### P. T. A. to Meet

The first meeting of the Roodhouse Parent-Teacher Association since the summer vacation, will be held Monday night, Sept. 17th, at 8:30 o'clock in the Community High school assembly room. The principal address of the evening will be given by the Hon. Hugh W. Cross of Jerseyville, representative in the state general assembly. He will speak along educational lines.

Herbie Smith has been removed to the sanitarium of Dr. G. Silvea at Louisiana, Mo., where he will receive treatment for the serious illness with which he was stricken on June 26th.

The Royal Neighbors will give a benefit bento at eight o'clock p.m. Thursday, Sept. 20th, in I. O. O. F. hall. Everyone is invited to come and enjoy the evening.

Zed Wolfe of East St. Louis called on his sisters, Mrs. Maud Flahn and Mrs. John Hintz in Roodhouse Friday.

Mrs. Will Worcester and Mrs. A. E. Barrow left for Chicago Friday to spend a visit with Mrs. and Mrs. Floyd Thompson and to attend the Century of Progress.

The Mens Community club will meet Thursday night, Sept. 20th, in the Baptist church, for the regular monthly session. The program will begin at 7:30 and Rev. Fr. Reidy of Jerseyville will be the speaker of the evening. Light refreshments will be served. All men, old and young are invited to attend.

The Matrons club of the Baptist church met with Mrs. J. E. Murphy Thursday afternoon for the regular monthly meeting. There were sixteen attended. Mrs. Anna Eades of Girard being a guest. Mrs. George Fishback presided over the business meeting. Mrs. Jess Hawk had charge of the devotions, and Mrs. Bert Ash and Mrs. Hubert Cunningham rendered a vocal duet.

After a social hour, the hostesses Mrs. Murphy, assisted by Mrs. J. B. Tipps and Mrs. W. J. Allen served refreshments. The next meeting will be held with Mrs. I. C. Holmes on Oct. 11th.

Mrs. Robert Wright of Mexico, Mo., spent Thursday and Friday with her daughter, Mrs. Foster Keagle. Mrs. Anna Eades of Girard is here for a two weeks visit with relatives in

Roodhouse and White Hall.

Miss Margaret Burbridge is a week-end guest of her parents, Mr. and Mrs. Bert Burbridge in Pittsfield.

Hamilton Vacy of Springfield spent Thursday and Friday as a guest in the Charles Barnett home.

Mr. and Mrs. William McPherson of Manchester spent Friday in Roodhouse.

## TOWN GIRLS CLUB OF MAC MURRAY PLANS FOR PARTY

The Town Girls' Club of MacMurray will entertain the new freshmen members at a party at MacMurray college this afternoon. There will be swimming party at three o'clock, a program of games from four to five and a benefit supper at five. The games and supper will be held in blac court if the weather permits, otherwise in the social room.

The officers of the club, Miss Jeanne Kendall, president and Miss Marie Yenger, vice-president have charge of arrangements. Miss Elizabeth King will be in charge of the swimming party; Miss Cornelia Green and the following committee, Misses Dorothy Conover, Clara Chapman, and Isabel Ballou have planned the games and program. The committee for the supper includes Misses Roberta Jones, Maurine Roodhouse, Mary Katherine Shaw and Hazel Thomas. Misses Josephine Johnson and Pauline Banton who is treasurer of the club have helped with telephoning. The following girls helped arrange the club room: Helen Gibbs, Rebecca Gibbs and Mary Katherine Shaw.

The program for Freshman week is as follows:

### Monday, September 17

3:30 P. M.—First assembly of all Freshmen, Jones Assembly Hall. Address of Welcome—President Jaquith.

Arthur Haddock, son of Mr. and Mrs. Harvey Haddock, graduated from the Worsham embalming college in Chicago about two weeks ago. He came home for a visit with his parents and last week was compelled to enter St. Luke's hospital, St. Louis for an appendicitis operation. He was operated on Thursday and is doing well. His sister, Miss Alice Haddock is a student nurse at St. Luke's.

Mrs. Wm. Cross and Mrs. Carrie Elmore entertained the members of the Past Noble Grand club, Friday evening at the home of Mr. and Mrs. Cross. A fish fry supper was served.

Mr. and Mrs. Carl Berry and baby from Wood River were recent visitors at the home of the former's father, George Berry, and son Lee, near Naples. Mr. Berry and daughter Louise of Exeter, accompanied Carl and family to Decatur where they visited at the home of daughter and sister, Dr. and Mrs. C. A. Hawkins. After returning to Exeter Louise went home with the Berrys to Wood River where she spent a few days.

Mr. and Mrs. Will Roff are entertaining Evangelists J. D. and Agnes Urshel during the revival.

Word was received by relatives that W. F. Noyes of Los Angeles, Calif., had passed away. Mrs. Noyes was at one time a resident of Exeter. Her maiden name was Miss Lydia B. Long. Mrs. Ada Peak and daughter, Miss Letch, are cousins of Mrs. Noyes.

Mrs. Lottie Borum Peak, who is teaching typing in the School of Opportunity in Denver, Colo., had the misfortune of a fractured toe, which makes it rather unhandy for her to go on crutches. Mrs. Peak was a former Exeter resident.

Miss Louise Mathews was a recent visitor in the home of her aunt, Mr. and Mrs. Joe Irving, in Mercedo.

The Belfry in the Christian Church in this place, which was recently struck by lightning, was badly damaged. The bolt tore out two sides of the Belfry, damaged the roof ran down in the church tearing out the casing in interior swinging doors split the end out of one of the seats, broke window lights struck the centre lamp rod and spent its force at the furnace.

Mr. and Mrs. Harold Easely, little son Harold Keith from Winchester were Sunday visitors at the home of their parents Mr. and Mrs. Charles Six and son Gordon. Also their grand parents, Mr. and Mrs. Manuel Six.

Mrs. Ruth Funk Carson, son Jimmy were down from Chicago visiting relatives also Mrs. Carson's brother from Quincy were recent visitors at the home of their uncle Jimmy Funk and other relatives.

STATE INVESTIGATORS John Baker of Lincoln and Russell Redshaw of Winchester were the guests of officer and Mrs. Lucius Wood here fair week.

Fifty-six thousand dollars have been paid this week to contract signers on the corn-hog program in Greene county. In all a total of \$92,000.00 has been paid to date. The balance of the \$120,000.00 which will complete the first payment on corn-hog contracts will probably be distributed in the next two weeks.

The Rev. M. J. Johnson, pastor of the local M. E. Church attended the annual M. E. conference in Champaign this week.

Carl Fisher of St. Louis spent Fair week here with his brother-in-law and sister, Mr. and Mrs. Bruce Dawson.

Lester Martin of Sinclair was calling on friends in the city Saturday.

Among the Alexander business visitors here yesterday was Charles Schewe.

## Today's Almanac:

September 17th

1787—The Constitution of the United States signed by the Convention.

1796—President Washington issues his farewell address.

1934—Constitution and farewell address still going strong as topics for discussion.

## for Sale to Hunters Duck Stamps Arrive

How many wild ducks did you kill last year? How many days were you engaged in hunting? These questions must be answered before you are legally qualified to go shooting on Saturdays and Sundays under Illinois' new hunting regulations this season.

These and other questions must be answered in obtaining the new federal "duck stamps," which now are on sale at the Jacksonville post office and substation. The supply of stamps arrived Saturday morning in readiness for the opening of the shooting season.

"Duck stamps," which cost a dollar, can be procured at the postal savings window at the post office and at Steinheimer's pharmacy where the postal substation is located. They must be attached to the hunting licenses.

Under the new federal migratory waterfowl regulations, every hunter of waterfowl is now required to have in his possession one of these stamps. The proceeds of the sale of stamps will be used in the important program of waterfowl restoration.

Sparks Saturday pleaded guilty to a charge of driving an automobile while intoxicated, and was sentenced to spend 30 days in the Morgan county jail. Judge Barnes also fined him \$100 and costs.

Sparks was arrested Friday by State Patrolman J. W. Woodall of Winchester on the Jacksonville-Springfield hard road. The patrolman said Sparks' car was weaving from one side of the pavement to the other, and that other motorists were endangered by his recklessness.

Among local residents who attended the Democratic gathering in Springfield Friday were T. S. Robley, Dewey and Frank Brockhouse, Glenn Reid, William N. Hairgrove, Roy Craig, Charles O'neill, William Parker, Bert Orr, George Spires, Jr., and William Hart.

## DRUNKEN DRIVER IS SENTENCED TO JAIL

William Sparks Saturday pleaded guilty to a charge of driving an automobile while intoxicated, and was sentenced to spend 30 days in the Morgan county jail. Judge Barnes also fined him \$100 and costs.

Sparks was arrested Friday by State Patrolman J. W. Woodall of Winchester on the Jacksonville-Springfield hard road. The patrolman said Sparks' car was weaving from one side of the pavement to the other, and that other motorists were endangered by his recklessness.

## VETS TO MARK CONSTITUTION AT MEET HERE

Father Frank J. Lawler to be Speaker at Club Session Tuesday

Officers will be elected and Constitution Week will be observed at the meeting of the Jacksonville post of the American Legion and Chow club next Tuesday evening. Post officers will be named and Rev. Father Frank J. Lawyer, past department chaplain of the American Legion, will speak on the constitution of the United States.

The Legion meeting will be held at the Legion Home at 7:30 o'clock, and in addition to the election of officers of the post nine directors of the American Legion Home Association will be named. The meeting will follow the Chow club supper and program at 6:30 o'clock, when Father Lawler will speak. A new president of the Chow will be chosen during the business session to succeed D. C. Livengood.

The Legion thought back of observing Constitution Week this year to to counteract especially among the youth, the inroads of the radicals, the extreme pacifists and communists. It is expressed in a resolution adopted by the national executive committee of the Legion at its last meeting in May.

That resolution reads as follows:

"Whereas, there is an apparent throughout the country insidious propaganda seeking to undermine the confidence of the people of America in their Constitution and their system and form of government developed thereunder; and

"Whereas, there is a growing spirit of tolerance and apparent indifference toward such propagandists; and

"Whereas, the ultimate aim of those responsible for this insidious program of propaganda is the overthrow of our present form of government by resort to open violence or concealed attack, now, therefore, be it

Resolved. That the American Legion reaffirms unwavering confidence in and support of the Constitution of the United States of America and the system and form of government developed thereunder, and that we recommend to the several departments and posts of the American Legion, through their Americanism Commissions and committees, an active campaign to stimulate a study and appreciation of the Constitution of the United States of America, and the rights, benefits and privileges guaranteed thereby, and that they do further formulate a program of active opposition to the continued dissemination of those doctrines which are subversive to our constitutional form of government and which advocate the revolutionary overthrow thereof."

In accordance with that mandate, the Legion throughout its 11,000 posts, is conducting a program of observance and study of the Constitution beginning with the anniversary of the adoption of the Constitution, September 17.

As many school rooms as possible, in the grade classes, in high schools and in colleges, Legion speakers are telling the students that all their studies, at their ambitions, their hopes of the future, their culture and their accomplishments will be valueless and in vain if they do not give them substance; if they do not surround them with protection and permanency; if they do not do the one thing that will direct such benefits and employ them in their pursuit of happiness, liberty and freedom—principles of human rights that are guaranteed to the citizens by the Constitution of the United States.

Waverly—Sponsored by the Waverly Post of the American Legion, Owen C. Anderson, commander and L. D. Deatherage, treasurer, in charge. A. W. Heath, principal Township high school and O. H. Kearns, principal grade schools, in charge of tag day September 29.

Chapin—Mrs. Marie Blair and Miss Ella Coulitas in charge. E. J. Lashmet, principal of the schools, in charge of tag day. Campaign November 4 and 5 due to other activities now.

Meredosia—Sponsored by Meredosia Post of the American Legion, Charles Wegehoff, commander, with A. H. Unland, principal of Community High school and Howard Eddle, principal grade schools, assisting and in charge of tag day. Campaign October 28 and 29 because of other solicitations now in progress.

Alexander and Orleans—Mrs. Floyd H. Beepur, general chairman; Mrs. Grace Armstrong, principal of the schools, directing tag day soliciting September 29.

Literberry—V. C. Casteel, principal of the schools in charge.

Sinclair—C. E. Bourne in charge.

Concord—Mrs. Charles Ball, head of R. N. A. chairman: C. H. Birch principal of the schools and G. W. Ellidge, of the grade school, in charge of the tagging.

The records show that the Salvation Army does far more for very poor people and saves more human beings from suicide or paupers' graves than any other organization in the world.

Last year over 600 prisoners were paroled to the Salvation Army.

The Salvation Army cared for about 4,000 unfortunate girls—in wed mothers—in its 32 maternity hospitals throughout the United States the past year, one of which is in St. Louis; another in Chicago.

Mrs. Pearl Strubbe entertained Thursday evening with a weiner roast in honor of her daughter, Esta Lee's sixteenth birthday. Games were played and Clyde Mason sang several songs. Those present were: Herald and Gerald Long, James Marvin and Mary Sorrells, Russell Brown, Mr. and Mrs. Clyde Mason, Bertha Falbman, Donald and Irene Allan, Mary Ellen Angelo, Art McDaniels, Maxine Taylor of Lymnville; Virgil Streater, Maxine Daffrattes of Jacksonville; Mildred Bernier and Wayne Lonergan, Cecil June Dean, and Esta Lee Strubbe, Mr. and Mrs. Edward Strubbe and daughter, Mary Janet, Mr. and Mrs. Ivan Peterfish, son Wendell, daughter, Betty, Mr. and Mrs. Dallas Streater, children, Melvin and Betty Maxine, Mr. and Mrs. Roy Savre, Mr. and Mrs. Harry Craig, and son, Donald Lee, Mr. and Mrs. Fredrick Harrison of Jacksonville; Mr. and Mrs. Elmer Roeger, and son Darrel of Joy Prairie; Ray and Opal Strubbe, Mr. and Mrs. Con Lonergan, daughter, Linda Louise, Mr. and Mrs. Rudy Strubbe and Bill and Wilbur Strubbe.

## PLAN CONSTITUTION WEEK OBSERVANCE

All American history and civics classes in Jacksonville high school will observe Constitution Week this week. Victor Sheppard, head of the history department, has announced. Actual observance of the week began Friday with study of the document.

The classes will approach the study of the constitution from four different angles. The first study will be made of the preamble, the second will be the provisions laid down in the constitution for the framework of government, the third the provisions made for guaranteeing individual rights, and the final study will be made of the amendments made to the document.

Special attention also will be given to the economic and political condition of the country before and after the enactment of the constitution.

Lost \$500,000 Brought Happy Days to Riviera

## RECORD CLASS TO MARK I.C. OPENING HERE

New Students to Gather Monday—Announce Program

Illinois College will open the 105th year of its history to-morrow with the largest class ever to assemble on the campus. The new students representing all sections of the state of Illinois, in addition to Missouri, Indiana, Pennsylvania, Connecticut, Michigan, Minnesota, Washington D. C., New York and the Dominion of Canada, will gather tomorrow afternoon at 3:30 for the first meeting of the class. The class is as follows:

## MAKE PLANS HERE FOR S. A. ANNUAL DRIVE

Towns in County to Aid Annual Financing Program

Towns throughout Morgan county are planning campaigns to help the annual financing program of the Salvation Army. It is fully realized that while the Army has its headquarters in Jacksonville, it serves wherever the need arises any where in the county. Open-air religious meetings are held from time to time out in the county and emergency calls promptly met. The following towns have already organized for the appeal:

Woodson—S. N. Atkinson, principal of the school, tag day next Friday.

Murrayville—Mrs. N. C. Carlson, president Women's Auxiliary, American Legion Post; assistant, J. A. Leutze, principal of the school.

Franklin—Miss Eloise Mansfield, Noble Grand Rebekah Lodge, chairman, W. L. Viar, principal of the school, assistant.

Waverly—Sponsored by the Waverly Post of the American Legion, Owen C. Anderson, commander and L. D. Deatherage, treasurer, in charge. A. W. Heath, principal Township high school and O. H. Kearns, principal grade schools, in charge of tag day September 29.

Chapin—Mrs. Marie Blair and Miss Ella Coulitas in charge. E. J. Lashmet, principal of the schools, in charge of tag day. Campaign November 4 and 5 due to other activities now.

Meredosia—Sponsored by Meredosia Post of the American Legion, Charles Wegehoff, commander, with A. H. Unland, principal of Community High school and Howard Eddle, principal grade schools, assisting and in charge of tag day. Campaign October 28 and 29 because of other solicitations now in progress.

Alexander and Orleans—Mrs. Floyd H. Beepur, general chairman; Mrs. Grace Armstrong, principal of the schools, directing tag day soliciting September 29.

Literberry—V. C. Casteel, principal of the schools in charge.

Sinclair—C. E. Bourne in charge.

Concord—Mrs. Charles Ball, head of R. N. A. chairman: C. H. Birch principal of the schools and G. W. Ellidge, of the grade school, in charge of the tagging.

The records show that the Salvation Army does far more for very poor people and saves more human beings from suicide or paupers' graves than any other organization in the world.

Last year over 600 prisoners were paroled to the Salvation Army.

The Salvation Army cared for about 4,000 unfortunate girls—in wed mothers—in its 32 maternity hospitals throughout the United States the past year, one of which is in St. Louis; another in Chicago.

Mrs. Pearl Strubbe gave a party for daughter

Mrs. Pearl Strubbe entertained Thursday evening with a weiner roast in honor of her daughter, Esta Lee's sixteenth birthday. Games were played and Clyde Mason sang several songs.
